

Betsy Griffin

Betsy has lived in Geauga County for about 52 years and only lived outside Geauga during her college years. She has known for a long time that Geauga County is a very special place to live, due to the wonderful people who call Geauga their home. Betsy knows that this community will go above and beyond to help their neighbors. If there is an identified need here, the community responds! This is one of the main reasons she decided to be part of the Board for the Geauga Hunger Task Force. The community hears about a need and responds with food, money to support the pantries and most importantly, kindness and caring. Betsy is proud to be a small part of this wonderful organization!
