

Hannah Sekas

Hannah has lived in Geauga County for 26 years. Her favorite thing about Geauga is the compassion of its residents. The people here care about each other and Geauga County as a whole. This sense of caring goes beyond just being a county of towns with small town vibes. There is a true underlying sense of community to thrive. When Hannah was made aware of the opportunity to serve on the Hunger Task Force, she saw an opportunity to give back to those in need. Since she has lived here her whole life and has been blessed to be supported by this community, she has always wanted to give back through her time and service.
