

Lisa Milgate

Lisa has lived in Geauga County for 31 years. One of her favorite things about Geauga is the small town feel it provides. She met her husband, Corey Milgate, at Berkshire High School and they both grew up here. She loves how the community takes care of each other with compassion and no judgement. Lisa joined the Hunger Task Force because she wanted to play a role in helping to make sure no resident of Geauga goes hungry.
